Product Description

Lightweight Waterproof LED Flood Light - Luminous Flux 1500LM

Product Description:

This Waterproof LED Flood Light is a great choice for those looking for a reliable, long-lasting lamp with a 2-year warranty. It is made with an ABS housing and a glass cover, making it highly waterproof and resistant to the elements. The 15W/30W power makes it suitable for a range of applications. The 180° beam angle ensures a wide coverage area that can be used for a range of purposes. Perfect for outdoor or indoor use, this LED Water-resistant Lamp is a great addition to any lighting setup. With its LED Waterproof Lighting technology, you can be sure of a bright, long-lasting light that will provide you with years of reliable performance.

We also provide a range of extended support services including:

- On-site maintenance and repair
- Warranty extensions
- Premium support options

Customer service and support call center

If you have any questions or need any assistance, please feel free to contact us.

Packing and Shipping:

Packaging and Shipping of Waterproof LED Flood Light:

We use corrugated cardboard cartons to package our Waterproof LED Flood Lights. Each carton is labeled clearly so that it can be identified correctly when shipping. In order to maintain the product integrity, we fill the carton with foam and other cushioning materials.

We also put a moisture-proof desiccant in each carton to absorb any moisture.

We ship our Waterproof LED Flood Lights by air, sea or land according to customers' demands. We use trusted and reliable international shipping companies to ensure that our products are delivered safely and securely.
