Product Description

DC12V Remote Control Swimming Pool LED Lighting - Brighten Your Pool

Product Description:

Swimming Pool Lights LED is a pool lighting fixture that offers underwater pool lighting with LED and waterproof features. It is made of ABS, a tough and durable material, and is rated IP65 waterproof, making it perfect for pool use. This pool light has a high lumen output of 900LM, which is equivalent to a 5W or 10W wattage. The beam angle of this light is 45 degrees, providing maximum coverage and brightness for pools. With its waterproof and bright lumens, Swimming Pool Lights LED is the perfect choice for pool lighting.
